**Brigadier General (Retired) T.H.M. (Jerry) Silva**

**You will not find a lot of glitzy bells and whistles. I don't do glitzy. However, with lots of engineer experience starting in 1958 I've seen many things and done many things. I hope you will find many interesting items within these web pages.**

**If you want to know more, you'll find my biography in the 6 ES Museum pages.**
