

**DIED ON ACTIVE SERVICE
6 FIELD COMPANY CANADIAN ENGINEERS AND 11 ENGINEER TRAINING
DEPOT
WORLD WAR ONE**

Research done in the National Archives of Canada, the C.E.F Roll of Honour, the Commonwealth War Graves Commission and the unit routine orders has revealed over 200 names of those who died on active duty in World War I. Below is a list of the unit's known war dead from the Great War. Due to the condition of Canadian Expeditionary Force records it is unlikely this list is complete. -- LCol VA Larocque
